Forget the world and join us on a magic carpet musical ride to Fantabulous France! Be enchanted by Godard's dazzling Concert Waltz, and soothed by the arching cathedral-like phrases of Handel's famous Sonata in F. Imagine floating above moonlit fields to the strains of Debussy's Clair de Lune, while Sancan's virtuosic Sonatina evokes rippling water and sunshine sparkles. A touch of Le Swing with Bolling's Sentimentale and Ragtime, and to conclude, Batik's Bagatelle, a cheerful Continental take on the Kwela.
